DD/S&T 4317/66
9 September 1966

MEMORANDUM FOR: Executive Officer, DD/S&T

SUBJECT: Item Covered in 9 September Staff Meeting

REFERENCE: Staff Meeting, Item Dealing with the Matter of DD/S&T Graphics

During the referenced meeting, you made mention of the fact that DD/S&T graphics were now out of date, lacked a central repository and a system for providing new graphics and up dating those now available. I believe that the ideas provided you in DD/S&T 3576/66, dated 8 July, 1966 (attached) which dealt with this subject specifically are still valid.
